Hi Melody.

I received the following request and was wondering if you could answer his questions with census data.

Thanks.

LaDonna,

As we discussed, here are the Gulfco coordinates:

28 degrees, 58' 07" north latitude
95 degrees, 17' 26" west longitude
Freeport, Brazoria County, TX

Please let me know the population within 1/2 mile and one mile of the Site. Also, if possible, I'd like to know the number of residences within those same distances.

183220

Thanks,
Gary
